Synopsis:

Added: Feb 07, 2018 3:11 pm
 THIS IS A NOTICE OF INTENDED SOLE SOURCE AWARD. The Department of Homeland Security (DHS), U.S. Immigration and Customs Enforcement (ICE), Office of Acquisition Management (OAQ), hereby gives notice of intent to award a purchase order to Thomson Reuters Special Services (TRSS) located at 2711 Centerville Road, Suite 400, Wilmington, DE 19808, on a sole source basis utilizing FAR 13.5 Simplified Acquisition Procedures for Certain Commercial Items procedures in accordance with 41 U.S.C. § 1903, for subscription data services. The ICE Enforcement and Removal Operations division relies on the continuous access to commercial database aggregators and real time jail booking databases. The databases help to leverage emerging technology that shares secure law enforcement data between federal, state, and local law enforcement agencies, which ensures that ICE can continue to expand its databases information coverage nationwide in a cost-effective manner.
 NO SOLICITATION OR REQUEST FOR QUOTE IS AVAILABLE.
 Notwithstanding, all responsible sources that believe they are capable of meeting this requirement may submit a response for consideration, which if received prior to February 13, 2018, will be considered. Responses must be supported with clear and convincing evidence concerning vendors' capability to provide the services outlined in this notice.
 All interested parties must submit their statement of capabilities, as well as a business profile, to Contract Specialist Michelle Britton by email at Michelle.Britton@ICE.DHS.GOV by 10:00am (EST) on February 13, 2018. No faxed or mailed documents will be accepted.
