The Department of Homeland Security (DHS) US Customs and Border Protection (CBP) intends to enter into a follow-on, Sole-Source, Firm-Fixed Priced contract with CorpTen International, located at 100 West Rd, Suite 300, Townson, MD 21204. This Sole Source determination is based on the need for software maintenance services and tech support to maintain the Unitrac Electronic Tracking System and Autofind Mapping Software and ensure its operational availability.

The anticipated period of performance is for one year. This requirement will be processed under the authority of 41 U.S.C 253(c)(1) implemented by the Federal Acquisition Regulation (FAR) Subpart 6.302-1 entitled "Only One Responsible Source and no other Supplies or Services will satisfy agency requirements". Delivery shall be FOB Destination, Riverside, CA is required within 30 days after receipt of order.

The Government intends to solicit and negotiate directly with CorpTen International. No solicitation package will be issued. This notice of intent is not a request for competitive proposals. However, if an interested party believes it can meet the above requirement, it may submit a statement of capabilities. The statement of capabilities must be submitted in writing and must contain material in sufficient detail to allow the Government to determine if the party can perform the requirement. A determination to compete this action is based on the responses received is in the sole discretion of the Government. All interested parties must express their interest and capabilities in writing via mail, facsimile, or email. Documents over 10 pages total will not be accepted. Verification of receipt of response are the sole responsibility of the contractor. If no responsive statements are received by August 28, 2017 at 3:00pm EST, an award shall be made to CorpTen International.
